HORSE GRAZING AGREEMENT

Terms of Grazing: For Current and New Members

Before the 1st of August each year you will need to re-apply/apply for grazing on Waitara Pony Club grounds. You must submit this application for grazing in writing, to the committee, who will decide whether or not to accept or decline your application. Failure to renew the contract will automatically be considered a termination and the grazer will be given 28 days’ notice to remove the horse/pony.

Waitara Pony Club will allow you 28 days to find yourself alternative grazing should your application for renewal be declined. Within this time your horse/ponies must be removed.

Through accepting this grazing agreement you will be expected to assist in club tasks as outlined below.

Executive Committee Members for the 2022/2023 Season:

Natasha Cambie- President, 027 291 1283

Helena McLeod-Treasurer, 022 019 8471

Rebecca McBrearty - Secretary, 0211 324 283

Sonya Williams - Grazing Manager, 027 428 4430.

Grounds Manager - Donald Brown.

Grazing members are not entitled to vote or hold office on the WPC committee, unless you are the Grazing Manager or you are the parent/caregiver of a Pony Club member grazing then you are entitled to vote and hold office.

New applicants please note: Before your application is approved by the WPC Committee you must meet with the Grazing Manager to see how communal grazing is run at WPC. This is to give you a full understanding of our grazing procedures and to ensure that all parties requirements can be met.

IMPORTANT

Waitara Pony Club Commitment

WPC can only function efficiently if it has the full support of all members and parents. The club offers many opportunities for riders to develop their riding abilities, including; instruction, theory and club representation at both local and national events. Maintenance and upgrades of the grounds and equipment is also part of being a member of the club. As with many clubs these opportunities are supported by a small number of parents, and as everyone leads busy lives these days it is becoming harder to get parental support.

Each grazing member must commit themselves to assist at a minimum of 3 major events, 1 PC closed event, and 1 working bee that the club organises or participates in. This includes taking on jobs (either to set up the day before or at the event) at the Open and Closed Gymkhanas, One Day Events, and the Area activities we are assigned. Also there will be at least one grazing working bee throughout the year for grazers to attend and help with. It will be noted who attends what events.

Failure to meet your commitment may mean that your grazing membership will not be renewed for the following year and you may be charged the \$250 non-member key holder levy.

IT IS A PRIVILEGE, NOT A RIGHT, TO GRAZE ON WPC CLUB GROUNDS. DO NOT ABUSE IT!

A. GRAZING RULES

32. Horses are grazed in groups depending on the makeup of the horses on site at any one time. Each of these groups may be divided into smaller groups.
